

VARI***LITE** TECHNICAL BULLETIN

SUBJECT: VLX Wash Luminaire Software Release	SERIES: VLX Wash
DISTRIBUTION: Service Centers, End Users	STATUS: Routine

Introduction

Embedded Software Release

Vari-Lite has a new software release for VLX Wash Luminaires. Software version **05/09/11** (file name, **VLX_0050911.bin**) is now available for download and installation from the Support section of the Vari-Lite web site (www.vari-lite.com).

VLX Wash Luminaires manufactured on and after **05/12/11** will have this software installed.

Note: Please review this bulletin in its entirety before downloading and installing the software. It is not necessary to download and install this software update if you are not experiencing the issue as described herein. Refer to “[Update to VLX Wash software \(05/09/11\)](#).” for more information.

For instructions on downloading and installing VARI***LITE** luminaire software, refer to luminaire’s user manual.

For more information on the USB Luminaire Programming Kit (Vari-Lite part number 28.8500.0054), please contact your Authorized VARI***LITE** Dealer or Vari-Lite customer service.

If you have any questions regarding this release or your VARI***LITE** product, please contact Vari-Lite Customer Service at 1-877-VARILITE (or +1-214-647-7880) or via e-mail at entertainment.service@philips.com.

Release Notes

Update to VLX Wash software (05/09/11):

- VLX Wash software 05/09/11 incorporates a patch in the operating software to address a minor issue.
- In some instances, it was reported that only white light is produced when the VLX Wash Luminaire is operated in **Calibration On** mode. This version of software addresses and resolves this potential issue.
- It is not necessary to download and install this software update if you are not experiencing the aforementioned issue. However, Vari-Lite recommends that the latest version of software be installed for consistent operation of all fixtures.
