

Philips Selecon Accent LED Beamspot

****OPERATION MANUAL****

THIS INFORMATION IS DESIGNED TO PROVIDE YOU WITH THE INFORMATION YOU NEED IMMEDIATELY UPON DELIVERY OF YOUR NEW LUMINAIRE.

If you require further assistance please contact your Philips Selecon dealer. www.seleconlight.com/distributors

Philips Selecon has packaged this product using environmentally friendly packaging. Please consider either reuse of the packaging or dispose of responsibly with your nearest recycling collection agency.

IMPORTANT!

Read this manual carefully before attempting to install, operate or maintain the Accent LED Beamspot. Follow the instructions in this manual. Philips Selecon accepts no responsibility if the customer fails to do so.

For each customer, operating conditions will vary, sometimes greatly. Such variations may affect the luminaire's performance. Philips Selecon has no control over the customer's unique operating environment. Hence, Philips Selecon makes no representations or warranties concerning the luminaire's performance under the customer's actual operating conditions. All operating parameters must be validated for each customer application by the customer's technical experts.

Safety Warnings

Not for residential use. Maximum ambient temperature 25°C

CAUTION: Hot surfaces - avoid contact by persons or materials.
The Accent LED Beamspot has some hot surfaces. Be careful to avoid burns. We suggest the use of leather gloves when focusing these luminaires.

SAFETY – Risk of Electric Shock: Always electrically isolate from mains power before cleaning or servicing.

CAUTION: Replace the lenses if they have become visibly damaged to such an extent that their effectiveness has become impaired, for example by cracks or deep scratches.

These luminaires are not suitable for outdoor use. They are rated at IP20.

The luminaire should be at least 2.6 feet /0.8 metres away from the nearest object it is lighting.

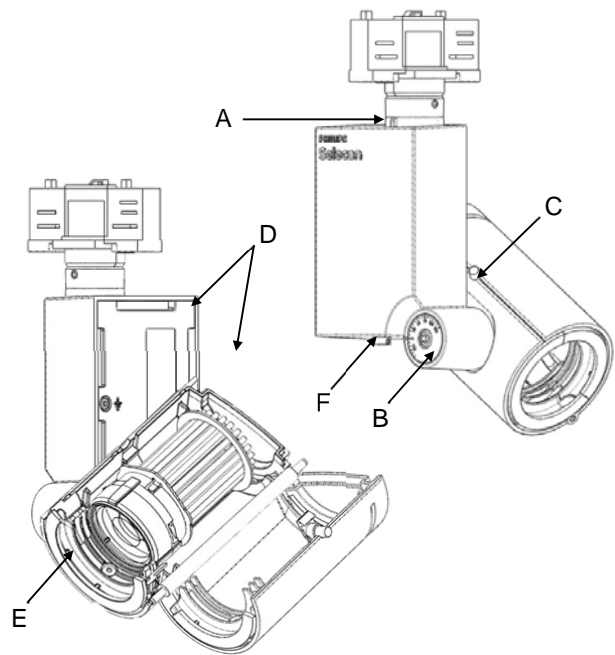

The Accent range can be operated only through a range of angles 90° either side of horizontal.

SAFETY AND MAINTENANCE

Keep your Accent LED Beamspot in top condition and performing at its best by cleaning it regularly with a soft cloth.

The above is the only maintenance task that can be safely carried out by non approved personnel.

Philips Selecon has manufactured this luminaire in accordance with recognised best practices to recommended international safety standards. It is your responsibility to maintain this luminaire in good and safe working condition.

Repairs should only be carried out by suitably qualified persons. Do not operate the luminaire with damaged lamps or cables, etc. Consult your Philips Selecon distributor for assistance. Only replace damaged parts with authorised Accent spare parts.

N.B. Luminaire electrical cable – your Accent LED Beamspot is fitted with special heat resistant flexible cable, replace with genuine Accent spare part cable kit only – please refer to your Selecon distributor.

(Replacement cable kits are supplied complete with necessary terminal connectors).

ELECTRICAL INSTALLATION

WARNING!!!

Risk of fire and electric shock. This product is to be installed by a qualified electrician only. This luminaire employs a grounded type receptacle and is not intended for connection to a two-wire, ungrounded source of supply.

When installing this luminaire use wire conductor colour codes as follows:

- Brown** - Phase, Live
- Blue** - Neutral, Return
- Green/Yellow** - Earth

LIMITED WARRANTY

Philips Selecon warrants its fixtures against defects in materials or workmanship. The term of this warranty is based on the product usage and is from the date of delivery.

Usage: Architectural, Display Term - Three Years

Architectural, Display relates to typical usage such as display lighting in a Museum viz:
10 – 12 hrs per day, seven days per week.

This warranty is void in any of the following circumstances: (a) The fixture has been misused, neglected, damaged or abused. (b) The fixture has been improperly installed, operated, repaired or maintained. (c) The fixture has been modified. (d) The fixture has been connected to other equipment with which it is not compatible. (e) The fixture has been used or stored in conditions outside its electrical or environmental specifications. (f) The fixture has been used for purposes other than for which it was designed. (g) The fixture has been used outside its stated specifications and operating parameters.

Correct installation of the luminaire is the owner's responsibility.

To assert a warranty claim, complete the Philips Selecon Return Authorisation Form (available from Philips Selecon). Return the luminaire to Philips Selecon or its authorised agent.

If Philips Selecon accepts the warranty claim, Philips Selecon will provide, or arrange for, service, repair or replacement as Philips Selecon shall determine in its sole discretion. Philips Selecon shall bear the cost of such service, repair or replacement. However, the owner shall bear the cost of freight and insurance on the luminaire, both ways. If Philips Selecon does not wish to service, repair or replace the defective luminaire, it shall refund the purchase price.

Philips Selecon's sole responsibility is to repair, replace or service a luminaire subject to a valid warranty claim. Under no circumstance will Philips Selecon be liable for direct, indirect, incidental, special or consequential costs or damages, including dismantling and re-installation costs, loss of operations or profits, to the maximum extent permitted by law.

Philips Selecon accepts no liability for personal injury or property damage resulting from failure to heed relevant operating and safety procedures specified by Philips Selecon or imposed by law.

This is an express warranty. Philips Selecon disclaims any other express or implied warranties, including warranties of merchantability or fitness for purpose, to the maximum extent permitted by law.

Some jurisdictions do not allow limitations or disclaimers of implied or statutory warranties. Some jurisdictions do not allow disclaimers or exclusions of consequential or incidental damages. Therefore, the above disclaimers, limitations and exclusions may not apply in all jurisdictions in which Philips Selecon sells its luminaires.

This warranty gives the owner specific legal rights. The owner may have other rights or remedies pursuant to the laws in its territory. Nothing in this limited warranty should be construed as limiting or restricting any other statutory right or remedy of the owner, except for such limitations or restrictions herein as may be allowed by the law of the territory.

Philips Selecon has a policy of continual product improvement and specifications are subject to change without notice.
