

**PRODUCT:** All VL3500™ Wash Luminaires

**SUBJECT:** Cyan and Yellow Color Wheels - Ordering Information

### OVERVIEW

To ensure high-quality reproducible color output for VL3500™ Wash, Vari-Lite manufactures and stocks the cyan and yellow color wheels only as matched pairs. If you need to replace either a cyan or yellow color wheel in the VL3500™ Wash Luminaires, to ensure consistent color output, you must replace both wheels as a matched pair. For complete ordering information, see the table in this notice.

**Note:** When ordering replacement cyan or yellow color wheels, please use the part numbers indicated in the “[Color Wheel - Parts Replacement Guide](#)”.

If you have any questions as to any aspect of this Technical Notice, please contact Vari-Lite customer service at 1-877-VARILITE or +1-214-647-7880.

**WARNING:** Any repairs or maintenance to VARI\*<sup>®</sup>LITE luminaires should only be performed by a trained and qualified service technician or at an Authorized VARI\*<sup>®</sup>LITE® Service facility.

**WARNING:** To maintain color consistency, you must replace **both** color wheels as a matched pair. Do not replace individual wheels. Discard any intact wheels you have removed.

## TECHNICAL NOTICE

---

**Note:** Vari-Lite sorts and marks matched pairs of color wheels into sets, which are marked A, B, C, D, E, or F at the hub. Cyan and yellow color wheels from the same set must be used together. For example, a cyan color wheel marked "A" must be matched with a yellow color wheel marked "A", likewise a "D" cyan wheel must be matched with a "D" yellow wheel, and so on.
