

TECHNICAL BULLETIN

SUBJECT: Software Release	SERIES: SL LEDSPOT 300
DISTRIBUTION: Dealers, Service Centers, End Users	STATUS: Routine

Introduction

Embedded Software Release

Philips Entertainment Lighting has a new software release for SL LEDSPOT 300. Software version **02/28/18** (file names **SL300P_V114C_PART1.NCW** and **SL300P_V114E_PART2.NCW**) is now available for download and installation.

Philips Entertainment Lighting suggests all owners and users of the SL LEDSPOT 300 download and install this new version of software from the Support section of the Philips Entertainment Lighting web site (www.philips.com/entertainmentlighting).

Note: SL LEDSPOT 300s manufactured on and after **02/28/18** will have this software installed. This software may be loaded in all previously manufactured fixtures.

Important Notes About this Version of Software

* *Please review this bulletin in its entirety before downloading and installing the software.*

About PEGASUS Upload Software

The PEGASUS Upload Software and luminaire firmware files are available for download, at no charge, from the Philips Entertainment Lighting web site.

For more information on PEGASUS Upload Software, please refer to Technical Notice TN-349 (located in any product downloads Support section on the Philips Entertainment Lighting web site) or contact your Authorized Dealer or Philips Entertainment Lighting customer service.

Note: For users that wish to purchase a Philips Philips Entertainment Lighting USB Upload Cable, contact Authorized Dealer and order part number: **PEGASUS**.

If you have any questions regarding this release or your Philips Entertainment Lighting product, please contact Customer Service at +1-214-647-7880 or via e-mail at entertainment.service@philips.com.
