

PRODUCT: All Philips VARI*LITE Luminaires

SUBJECT: Discontinuance of VL Downloader Application and Introduction of PEGASUS Upload Software

OVERVIEW

Philips Vari-Lite has discontinued support for the VL Downloader Application for updating luminaire software. Philips Vari-Lite is replacing this application with PEGASUS Upload Software.

Note: This technical notice is for information purposes only. Users and owners of Philips VARI*LITE luminaires are not required to inspect their fixtures.

PEGASUS UPLOAD SOFTWARE INFORMATION

- PEGASUS Upload Software updates Philips VARI*LITE luminaire firmware using the current Philips VARI*LITE USB Upload Cable (*previously sold with the USB Luminaire Programming Kit, 28.8500.0054*).
- The PEGASUS Upload Software and luminaire firmware files are available for download, at no charge, from the Philips Vari-Lite web site at www.vari-lite.com in any luminaire product downloads support section.
- The PEGASUS Upload Software ZIP file contains a user's guide (PDF file) with complete instructions on how to install and use this software.
- For users that wish to purchase a Philips VARI*LITE USB Upload Cable, contact Authorized Philips VARI*LITE Dealer and order part number: **PEGASUS**.
